Cleaned Paragraphs after Data Cleaning

Paragraph 1:

omg! i cannot believe i found this awesome article about ai machine leanring! it was soo good lol. i love nlp butt i hate spelng errors in textt. this is gonna be a loong paragraph with loots of spacess and weirdd symbols . the websites link is check it out asap! excited

Paragraph 2:

oh my gosh! like, i cannot even believe what i just stumbled upon on the world wide web. this article, the marvels of artificial general intelligence the future of humanity, totally blew my mindd! it was, like, soo mindblowingly awesome, lolz. i mean, i love nlp butt those annoying typos in texts drive me nuts. brace yourselves, this is gonna be one seriously long paragraph with tons and tons of extraterrestrial spaces and some seriously weird symbols like . and guess what? the link to the website is so, um, you better check it out like asap! excitedmuch

Paragraph 3:

yaayy! just watched thiss amazzing vid on ai how its changin evrythingg! it waz soo dopee, i cant even. lolzz! blessed mindblownn. by the way, the link is totally worthh itt ! i love tech so much but sometimes it is likee reallyy confusingg!

Paragraph 4:

noo waayy! this is, like, the 100th time ive seen ppl mess up spellings in their blogss i mean cmon, you are writing abt deep learning, not sum joke topic anywayzz. the article was kinda cool butt had lotsa weird symbols all over. you can read it and let me knw your thots asap!

Paragraph 5:

heyy, did you read that crazyy article on quantum stuff ai? like for reall. it was crazzy detailed but soo complicatedd! i could barely undrstnd half of it . the diagrams were tho! i found it here please please please read n tell me what you thinkk
